SERVICES AVAILABLE

Skate sharpening by our staff is available during the Hockey School at some locations. Parents/Friends are welcome to observe all Ice Sessions.

STAFF

One of our greatest strengths are our Instructors. Our Hockey School draws from an extensive list of experienced, high energy and enthusiastic group of instructors. Our staff have very effective interpersonal skills to relate well with the players on and off the ice. They are all players and/or coaches from Minor Hockey, Junior, College & University. We have had a number of NHL players who have made guest appearances over the past years. Our Powerskating instructor adds a very important component to our Hockey School Program. Our instructors are directed and coached by Ron Chyzowski who is the Program Director for the Hockey School. He has played and is presently coaching in Germany.

PARENT OR PLAYER CONSENT

I hereby agree/give my consent for myself/my child, (as parent and /or guardian) to participate in the program operated under the name and style of Canadian Trinity Hockey Schools at my/his/her own risk and peril. "C.T.H.S." will not be held responsible for death or any accident, injury, loss or damage however caused, and hereby agree to release and hold harmless C.T.H.S. Notwithstanding anything to the contrary set forth in this brochure, if I am successful in any suit, action, or proceedings against C.T.H.S. for any damages, loss, costs or expenses (including punitive damages) the award (including court costs) shall be limited to the amount of tuition paid by me to CTHS .

2010

TRI LEISURE CENTRE

Spruce Grove, AB • Aug 1 - 6 & Aug 22 - 27, 2010

MILLENNIUM PLACE

Sherwood Park, AB • Aug 8 - 13, 2010

This will be our 25th year of providing hockey instruction to Male and Female players from 5 to 55 in Edmonton and throughout northern Alberta. We take pride in our smaller class sizes, our quality instructors, our excellent blend of a power skating component and hockey skills development. Players who have participated in our excellent Program have moved on to play at all tier levels including college and Professional hockey. Join us for another summer of skill development and fun.

MILLENNIUM PLACE is located in Sherwood Park, a suburb east of Edmonton. A facility that has 2 arenas, indoor track, gym, pool and more.

TRI LEISURE CENTRE is located on highway 16A in the west end of SPRUCE GROVE, AB. A new facility that has 2 ice surfaces, indoor track, pool, soccer fields and more.

CANADIAN TRINITY HOCKEY SCHOOL PROGRAM:

The intention of our Hockey School Program is to combine the basic skills of hockey and power skating with discipline, concentration and effort in an enjoyable and learning atmosphere. We have programs for all male and female players - forwards, defense or goalies, from beginners to experienced. Players are grouped by age, ability and size. The individual player is challenged to improve his/her own skill development during each of the drills. Each week every group ends his/her last session with a scrimmage followed by an assembly of parents and players for a summary of the week's program, distribution of report cards and draws from sponsor donated prizes. In addition to our excellent Hockey Program, we also offer the services of Player consulting and Player Development. Contact our office for more information.

PROGRAM FEATURES:

ON ICE PROGRAM:

Skating is the most important individual skill in Hockey. Power skating will be a daily component of our skill development program. In addition each day, one of the following skills will be emphasized: stickhandling, passing, receiving, shooting, scoring and checking (over 10 year olds only). Team and positional strategies will be introduced.

GOALTENDERS PROGRAM:

Goalie receives separate instruction for part of some sessions by a Goalie coach in angles, stance, skate saves, glove saves, pad stacks, positional play, etc. Goalie program is for 9 year olds and up.

OFF ICE PROGRAM:

We strive to develop team concept and eye-hand coordination through activities such as dry land training, flexibility drills and games related to all hockey skills. Each group has one off ice session per day. All locations will make use of the indoor and outdoors facilities as available. Many of the activities are such that the player can use for his year round fitness program. We usually throw in some unrelated fun activities as well!

CLASSROOM PROGRAM:

During the daily classroom session, the instructor uses a variety of teaching techniques to show players the expected procedures for effective skill progression. Most up to date instructional video tapes, chalk talk and demonstrations are tools used to assist in this area.

PROGRAM CHOICES:

PLAN A:

Half day - suitable for ages 6 - 8. Each day consists of 1 1/4 hrs of ice time, a short classroom session and an off ice program. This program is in the am only (Approx. 8:30-11:30am).

FEES: ALL LOCATIONS - \$195.00

PLAN B:

Ice sessions only. Attending the classroom session is optional. Suitable for 16 years olds and up including adults.

TESTIMONIAL:

"Powerskating was terrific. Helped improve not just speed but balance and agility. Coaches did well commanding attention and teaching the kids the skills they need while having fun".

Singer, Stony Plain

"All was excellent, First time and will absolutely be back, thanks!".

Stacy, Callahoo
